19-24 September 2027 | Manchester

ICNC 2027
MANCHESTER
Atomic Roots, Nuclear Future

International Conference
on Nuclear Criticality Safety

Sponsorship Opportunities

Nuclear Institute

nuclearinst.com

Welcome!

We'd be delighted to welcome you to ICNC 2027, the world's leading conference for national and international organisations working in nuclear criticality safety.

Bringing together global experts, government representatives and industry leaders, the conference will explore the latest research, operational developments, safety standards and future challenges through a programme designed to inform, challenge, and inspire the next generation of nuclear professionals.

sponsorship@nuclearinst.com

Why Sponsor?

Connect with the nuclear industry's most influential global professionals

Position your brand as a leader in criticality safety

Showcase your solutions to decision makers seeking new solutions and partnerships

Strengthen your organisation's commitment to nuclear safety criticality

Who Attends?

- Criticality safety leaders
- Government and regulators
- Nuclear code and nuclear data experts
- Early career nuclear professionals
- Research institutions and national labs
- Universities and academia
