

# ASSOCIATE

Nuclear Institute

# ASSOCIATE

## WHY BECOME AN ASSOCIATE MEMBER?

### Keep up with an evolving industry through specialised events

You're always learning in a career in nuclear as it continues to evolve and change with new discoveries – that's what makes it such an interesting industry to work in. Develop your skills and knowledge base through the industry-specific regional and national events the Nuclear Institute offers throughout the year.

### Support and networking opportunities

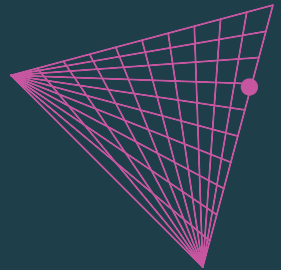

Make contacts throughout the country with like-minded individuals working in nuclear through events and functions run both by the Nuclear Institute and groups within the Institute. You'll develop friendships with experienced, innovative nuclear professionals on the front line of science and technology

### Progress to Professional Membership

The Nuclear Institute offers routes to professional membership and registration. Becoming MNucl or FNucl demonstrates your commitment to upholding the highest standards of the nuclear profession. You'll be valued by employers and stand out from your peers.

### Volunteer experience

Write for the journal, sit on a committee, or help out with STEM activities – these are just some of the volunteer experiences you can have with the Nuclear Institute. Not only will you learn more about an area of the industry, but it looks great on the CV, too.

**Nuclear Institute**

## Key benefits:

- Discount on Nuclear Institute events
