

## Nuclear Spain trip

El Cabril Waste Repository and Jose Cabrera NPP

18– 20 April 2018

Start 18 April 19:00 (AC Hotel, Cordoba)  
Finish 20 April 19:00 (Hotel Santo Domingo, Madrid)

The London and South East branch of the Nuclear Institute have collaborated with Enresa to offer guests this very exciting international learning and networking opportunity.

A party of 25 delegates will travel between Spain's only nuclear waste repository – El Cabril, and one of the country's successful PWR decommissioning projects – Jose Cabrera NPP. The visits will include a tour of the facilities and educational talks from experts in the fields of decommissioning and waste management; time will also be permitted for refreshments and networking at each facility.

Two overnight stays are included in the cost of the trip. The first in the picturesque Andalusian city of Cordoba, a designated world heritage site and award winning gastronomic centre. On the second night guests will stay in the heart of Madrid, just a short walk from the city's main tourist attractions.

This event is open to all; however places are strictly limited to 25 and will be filled on a first come-first served basis.

The trip is priced at £300 for Nuclear Institute Members and £350 for non-members; this includes site visits, domestic transport, and hotel costs.

Please note that in the interest of flexibility guests will be asked to make their own arrangements for travelling to and from Spain. Travel expenses are not included in the event delegate price.
