The National Competition will be held in the autumn of 2018, with further cash prizes and the opportunity to present at the YGN Seminar preceding the YGN Annual Dinner in 2018.

The Subject Matter

We encourage you to present a talk on:

"Nuclear Energy"

For those of you wishing to present a 'commercial or sensitive' subject, we remind you of the importance of **OBTAINING PERMISSION FROM YOUR EMPLOYER/UNIVERSITY** in advance.

The Experience

The aim is to give you the opportunity to gain valuable experience in communication skills in front of a live audience. Emphasis is placed on presentation rather than the written word and the ability to handle questions from the audience. There will also be the opportunity for networking.

All you have to do is submit a title and 200 word synopsis on your chosen subject, together with the details requested in the table below. The synopsis will give the judges a flavour of what to expect. The six most interesting synopses judged by the organising committee will be invited to attend and present at the final on 3rd May 2018.
