# Nuclear Institute Young Generation Network

Supporting  
Nuclear  
Professionalism

The **Nuclear Institute (NI)** is the professional body and learned society for the nuclear sector in the UK. It is a charitable organisation with over 3,000 members at all levels across the nuclear industry, from new build and operations to decommissioning.

Advancing  
Understanding

Giving Members  
More

The **Young Generation Network (YGN)** is the young members section of the Nuclear Institute for the 2000 members under 37 years of age. Run by passionate volunteers across the nuclear sector the YGN's aims to encourage, develop and engage with those early careers members for the benefit of the UK nuclear industry and the professionals themselves. Ensure their voices are heard in shaping the future of the nuclear sector.

**#NetZeroNeedsNuclear**

# 2025-2030 Strategy

## VISION:

A dynamic and diverse network supporting early career nuclear professionals, for the benefit of the UK nuclear industry.

## MISSION:

To build a supportive community through fostering collaboration, enabling networking and providing development opportunities, whilst inspiring and championing the next generation of nuclear professionals.

## VALUES:

### COMMUNITY

We create an environment to connect our members and our collaborative partners to establish a sense of belonging.

### COLLABORATE

We unite diverse perspectives to empower the next generation to lead with confidence, drive innovation and strengthen the sector.

### OPPORTUNITY

We offer a platform for early career nuclear professionals to connect, learn and develop.

### INSPIRE

We promote and develop role models, champion outreach and host events that drive an ambitious and motivated community.

Attract a diverse workforce  
 Promote the YGN and the nuclear industry  
 Champion the next generation of nuclear professionals

# Intro To.. Series

The YGN Intro to Series allows delegates to gain an introduction and understanding of different sectors, topics and disciplines within Nuclear.

You can expect presentations from senior leaders within the industry, interactive sessions, site tours to UK nuclear facilities, networking opportunities and dinners all included in a single ticket.

In 2026, the YGN will run the Intro to series with available opportunities for sponsorship & hosting as following (see next slide for associated benefits):

**Intro to Nuclear New Build & Power Generation (2 days)**  
 Value: £2,000 + VAT  
 Hosting & Catering  
 Date: Q3 2026

**Intro to Nuclear (2 days)**  
 Value: £2,000 + VAT  
 Date: Q2 2026

**Intro to Fusion (2 days)**  
 Value: £2,000 + VAT  
 Date: Q3 2026

**Intro to Waste Management and Decommissioning (3 Days)**  
 Value: £2,000 + VAT  
 Date: Q4 2026

# Intro To.. Series

## **Sponsorship benefits including but not limited to:**

- Opportunity for a representative of your company to speak for up to 5 minutes at the start of the event
- Opportunity to nominate your own speaker for a full speaking slot.
- Branding with sponsoring organisation's logo as the Intro to Event Sponsor on all event material
- Opportunity to distribute branded merchandise at the event
- Post marketing material on all our marketing channels, e.g. LinkedIn, Instagram, Newsletters to YGN and NI members
- Mention in the Nuclear Future magazine as event sponsor for on the event article
- *Additional benefits can be discussed prior reaching the formal agreement.*

# National Speaking Competition

The YGN Speaking Competitions provide opportunities for participants to develop their own presentation skills and to showcase an area that they are particularly passionate about in nuclear.

The speaking competition final takes place in Q3, with winners of regional heats across the UK competing for the National title.

## **Sponsorship benefits including but not limited to:**

- Opportunity to do a 10-minute introduction at the National Final and get the opportunity to discuss/promote their organisation.
- Opportunity to display a company banner at the event.
- Logo to be displayed on advertisements for the event.
- Post marketing material on all our marketing channels, e.g. LinkedIn, Instagram, Newsletters to YGN and NI members
- Opportunity to have a judge on the panel.

Value: Hosting & Catering (Gift in Kind for the Competition Final)

# International Trip

## International Trip 2026-27

Following successful YGN visits to Olkiluoto Nuclear Power Plant, Finland in April 2025, and Barakah Nuclear Energy Plant, UAE in 2026, the YGN International Sub-Committee is preparing the next international trip (location TBC). The trip will provide a mix of technical presentations and tours alongside cultural and social engagements.

### Sponsor benefits including but not limited to:

- Opportunity to present and have priority space on the trip for employee(s) of the sponsoring company
- Extensive brand exposure on the national & international stage during the event.
- Marketing campaign for the company before, during and following up the event.
- Follow-up article in the Nuclear Future Journal highlighting sponsorship.
- *Additional benefits can be discussed prior reaching the formal agreement.*

### Sponsorship Opportunities:

Platinum: £7,500 + VAT

Gold: £5,000 + VAT

Silver: £2,500 + VAT

\*Benefits vary depending on sponsorship package

**#NetZeroNeedsNuclear**

# International - I4N

## Innovate 4 Nuclear (I4N) - UK Final

I4N is a world-spanning annual contest where teams of students and young professionals present their new and innovative ideas on how to use nuclear (and/or interfacing) technology. The first I4N took place in 2024 where it established itself as a key event for finding and nurturing innovation in the nuclear industry.

### Sponsor benefits including but not limited to:

- Opportunity to engage with mentors and judges in attendance who represent potential customers or business partners
- As a national sponsor, the company will enjoy significant visibility and a range of valuable marketing, networking, and engagement opportunities throughout the event.
- Brand awareness of the company will be prominently displayed on official event communications, including promotional materials, and digital content (social media, website, and emails).
- Opportunity to provide a keynote speaker and official judge for the national final in Birmingham.
- 5 priority spaces for delegates.
- Opportunity for your staff members to attend the European Final in Edinburgh in June 2026.
- *Additional benefits can be discussed prior reaching the formal agreement.*

### Sponsorship Opportunities:

Value: £2,500 + VAT (2 available opportunities)  
Date: Q3 2026

# Annual Day Seminar and Dinner

## The Annual Day Seminar and Dinner is the YGN's flagship event

As our flagship event held in November, the Annual Seminar and Dinner moves to a new location each year and provides the opportunity for delegates to hear the latest developments in our sector from leading experts as well as developing a professional network of contacts.
