

WESTERN DINNER

Sponsorship Opportunities

26th March 2026

ANNUAL DINNER SPONSORSHIP OPPORTUNITIES

The Nuclear Institute Western branch is holding its Annual Dinner on 26th March, at Wills Memorial Building, Bristol. The Western branch Annual Dinner is our most popular event of the branch calendar and high on the Nuclear Industry calendar. In 2025, the NI Western Annual Dinner hosted 400 attendees from numerous companies across the region and further afield, providing an excellent evening for all.

The Annual Dinner provides an opportunity for people and companies from across the nuclear industry with a particular focus on the South West region to come together and enjoy this special evening. Supporting this event helps the branch to continue to undertake educational and industry events throughout the year, such as the YGN speaking competition. We look forward to welcoming you to our next dinner in 2026!
