Attracting talent into the nuclear energy industry

This webinar breaks new ground for NNWI. It will focus on why nuclear energy offers a great career for young talented men and women.

We believe that the challenge of climate change provides a strong incentive for able and ambitious people to enter our industry and be part of the global response to this threat.

Topics to be covered will include the skills, education and training which are needed for success in the nuclear field.

Chair:

Tim Yeo, Chairman, The New Nuclear Watch Institute

Speakers:

Eric Meyer, Executive Director, Generation Atomic

Andrew Crabtree, Founder, Get Into Nuclear

Lena Andriolo, President, International Youth Nuclear Congress

Gulnara Bikkulova, Deputy General Manager, Rosatom Corporate Academy

Ben Reynard, Digital Engineering Lead, Atkins, part of the SNC-Lavalin Group
