ASSOCIATE MEMBERS

Why become an associate member?

Keeping up with an evolving industry through specialised events

You're always learning in a career in nuclear as it continues to evolve and change with new discoveries – that's what makes it such an interesting industry to work in. Develop your skills and knowledge base through the industry-specific regional and national events the Nuclear Institute offers throughout the year.

Support and networking opportunities

Make contacts throughout the country with like-minded individuals working in nuclear through events and functions run both by the Nuclear Institute and groups within the Institute. You'll develop friendships with experienced, innovative nuclear professionals on the front line of science and technology who will be able to help you build your dream nuclear career.

Expand your knowledge base with the Nuclear Future journal

Keep up to date with the industry through the bi-monthly Nuclear Future magazine. Sent to all associate members of the Nuclear Institute, it's full of cutting edge, intensive articles addressing issues and tackling challenges across the nuclear industry.

Volunteer experience

Write for the journal, sit on a committee, or help out with STEM activities – these are just some of the volunteer experiences you can have with the Nuclear Institute. Not only will you learn more about an area of the industry, but it looks great on the CV, too.

Key benefits:

- 10% discount on all Nuclear Institute events
- Bi-monthly Nuclear Future journal
- Build contacts across the nuclear industry
- Expand your knowledge through Nuclear Institute lectures, seminars, and technical tours
- Contribute to government consultations
- Join a community (Young Generation Network, Women in Nuclear, NI Branches, Special Interest Groups, etc)

Apply online

To apply, go to our website nuclearinst.com/learned-membership and complete the online form. You can pay the annual fee through our secure online payment system – the fees are listed on the website and are pro-rated depending on when you join in the year.

Membership grades for each step of your career

There are four grades of membership for the Nuclear Institute – fellow, member, associate, and affiliate. These grades provide support at the various levels of your nuclear career through tailored events, networking opportunities, and professional recognition. For more information, please visit www.nuclearinst.com/membership.
