

IOP & NI Cumbria Joint Event

Diamond Nuclear Batteries

IOP | Institute of Physics
Lancashire and Cumbria Branch

Diamond Nuclear Batteries

Wednesday 26th April 2017

19:00

Hunday Manor Hotel, Lillyhall, Workington

The evening will consist of a talk given by Professor Tom Scott on
“**Diamond Nuclear Batteries**”, as featured on BBC news.

Refreshments will be available from 18:30.

The **event is open to all** – feel free to share this invitation with your
colleagues and friends.

Whilst not essential to attend, if you could please register your attendance in
advance at events.cumbria@nuclearinst.com so we can confirm numbers for
refreshments.

Professor Tom Scott

University of Bristol

Professor of Materials – Interface Analysis Centre

Cabot Institute
