

# BECOMING AN EDUCATION AFFILIATE OF THE NUCLEAR INSTITUTE

## BENEFITS OF EDUCATION AFFILIATE MEMBERSHIP

The purpose of this grade is to support educational establishments, especially universities and FE colleges, in delivering high quality nuclear education courses to future nuclear professionals. It also seeks to encourage their students towards future nuclear professional status by providing additional opportunities for learning and development that supplement their academic/vocational studies.

The benefits of this grade of membership are as follows:

- Free membership for students on taught nuclear-related courses.
- Free Associate membership for two tutors/academics in the department.
- Free bi-monthly membership magazine Nuclear Future (e-copy for Students).
- Use of the NI Education Affiliate logo
- Discounts on NI events, conferences, seminars, etc.
- Invitations to local branch events
- Opportunity to become involved with the Young Generation Network (YGN) (Students).
- Opportunity to contribute to research conducted by Special Interest Groups (named Associates/ representatives).
- 10% discount on advertising in Nuclear Future (named department/establishment).
- Opportunity to host branch/local events organised by the Nuclear Institute.

## Terms and conditions

- 1 Any university, college or government registered training provider <sup>1</sup> running programmes that include significant nuclear-related content may apply for membership of the Nuclear Institute as an Education Affiliate.
- 2 Membership runs on a calendar year and is payable on 1 January each year.
- 3 If an Education Affiliate member withdraws from membership any accreditations held will not be renewed.
- 4 The Nuclear Institute reserves the right to withdraw membership, and all benefits associated with this grade, if payment is not received promptly.
- 5 Education Affiliate membership is offered on a department basis. This entitles the department to sign up all students enrolled on taught programmes for free Affiliate membership. This excludes students on research degrees unless otherwise agreed.
- 6 Education Affiliate members can sign up students for free NI membership, as follows:
  - a. undergraduate/postgraduate students irrespective of the degree they have enrolled on
  - b. students enrolled on programmes at levels 2-5 as a pathway to employment in nuclear
  - c. PhD candidates are excluded from this arrangement, unless otherwise agreed.
  - d. In order to benefit from free membership, students should sign up via the Nuclear Institute website using your institution's Education Affiliate enrolment code
- 7 Education Affiliate membership includes free Associate membership for two representatives of the department; this will not cover professional membership fees
- 8 Education Affiliate membership does not infer Nuclear Institute accreditation or endorsement of courses. The Institute offers a separate, optional course approval service that requires submission of an application form and supporting information. Further details are available on request.
- 9 Subject to separate agreement, the NI will enable Education Affiliate members to offer discounted <sup>2</sup> NI Associate membership to employed participants on part-time or short duration courses.

<sup>1</sup> Companies running in-house training schemes or commercial training providers delivering training for corporate clients should consider the NI's Corporate Affiliate or Company Membership Schemes, as appropriate.

<sup>2</sup> Subject to separate agreement, Education Affiliates can offer a standard discount (2020 =15%). For agreed part-time and short duration courses the NI Membership Team will enrol your employed participants using a simple block enrolment process.
