

Mark Enzer

Chief Technical Officer, Mott MacDonald

In Mark's role at Mott MacDonald, he is accountable to the Group Board for technical excellence globally, which he drives chiefly via Mott MacDonald's internal professional networks.

Mark is a keen champion of innovation in the context of collaborative delivery models and he is particularly interested in transformational change in infrastructure engineering, including the application of digital transformation, Smart Infrastructure, low-carbon sustainable solutions, platform-based delivery and design for manufacture and assembly (DfMA).

Mark is currently the chair of the Digital Framework Task Group, which is part of the Centre for Digital Built Britain. Mark was the leader of the Digital Transformation workstream as part of "Project 13" for the Infrastructure Client Group, which represents the UK's major infrastructure client organisations and he was the Lead Author of the Infrastructure Carbon Review, published by HM Treasury.
