

Hotels

We have arranged some specially discounted rates at a few neighbouring hotels, which can be booked directly using a unique reference number, listed at the bottom of page of each option.

The rates are only available for a limited time and any rooms booked after their cut-off date cannot be guaranteed at the negotiated rates. Rooms are limited in each venue, so early booking is recommended.

Extra nights may be available at the agreed rates also (subject to availability), ask for information on booking.

All rooms have their own [cancellation policy](#), so please check this on booking or you may be charged in full for late arrivals and cancellations.

If you have any difficulty booking the rooms, then please contact:

reservations@intelligent-venues.com
