

Central England Branch Speaking Competition

Ridgeway House, Harwell Campus, OX11 0QX

Thursday 28th March 2019, from 17:30

PRESENTATION EVENING

The NI CEB invites you to join us for the YGN Speaking Competition and an evening of presentations from young professionals in the area. Our presenters will give a 10 minute talk, with each one bidding to win the CEB Speaking Competition and give their talk at the Regional Speaking Competition.

TALK TITLES

- Radiation Hormesis: is radiation good for you?
- Riding a helter skelter made of atoms: understanding what neutrons do to nuclear reactors
- Nuclear deterrence: balancing world peace with world destruction
- How to sample a Pressurised Water Reactor
- Remote Handling: one solution to tackle the Generational Legacy!
- Turbulence in tokamak plasmas

All welcome to attend
