

## Implementing Digital Innovation in a Nuclear Environment

#GoDigital2020

**John Robison MSc, CEng,  
AMIStructE, FIET,**

---

**Head of Digital Engineering Capability  
Sellafield Ltd**

John has 35 years' experience in the design and construction of chemical and nuclear facilities where, for the last ten years, he has focused on the use and development of design and information management systems.

He is currently the Head of Digital Engineering for Sellafield Ltd. where he is leading their implementation of digital project delivery within the wider business context of Sellafield's digital ambition.
