## Why become a member?

### Increase your value to employers with post-nominal letters (MNUcl)

Membership of the Nuclear Institute provides recognition for ongoing commitment to professionalism within the nuclear industry with post-nominal letters 'MNUcl'. This is widely recognised across the Nuclear sector, and it's highly sought after by employers for candidates – a great way to build your career.

### Expand your knowledge base with the Nuclear Future journal

Keep up to date with the industry through the bi-monthly Nuclear Future magazine. Sent to all full members of the Nuclear Institute, it's full of cutting edge, in-depth articles addressing issues and tackling challenges across the nuclear industry.

### Opportunities for unique volunteering experience

Write for the journal, sit on a committee, or help out with STEM activities – these are just some of the volunteer experiences you can have with the Nuclear Institute. Not only will you learn more about an area of the industry, but it looks great on the CV, too.

### Keeping up with an evolving industry through specialised events

You're always learning in a career in nuclear as the industry continues to evolve and change with new discoveries – that's what makes it such an interesting industry to work in. Develop your skills and knowledge base through the industry-specific regional and national events the Nuclear Institute offers throughout the year.

### Support and networking opportunities

Make contacts throughout the country with like-minded individuals working in nuclear through groups, events, and functions. You'll develop friendships with experienced, innovative nuclear professionals on the front line of science and technology who will be able to help you develop your career in nuclear.

## Key benefits:

- Acknowledgement of professionalism and ongoing contribution to the nuclear sector with industry-recognised post-nominals (MNUcl).
- Bi-monthly Nuclear Future journal
- Expand your knowledge through Nuclear Institute lectures, seminars, and technical tours
- Discount for all Nuclear Institute events
- Build contacts across the nuclear industry
- Contribute to government consultations
- Join a community (Young Generation Network, Women in Nuclear, NI Branches, Special Interest Groups, etc)

## Apply online

To apply, go to our website [www.nuclearinst.com/Professional-Membership/Member](http://www.nuclearinst.com/Professional-Membership/Member) and complete the online form. You can pay the annual fee through our secure online payment system – the fees are listed on the website.

## Membership grades for each step of your career

There are four grades of membership for the Nuclear Institute – fellow, member, associate, and affiliate.

These grades provide support at the various levels of your nuclear career through tailored events, networking opportunities, and professional recognition. For more information, please visit [www.nuclearinst.com/membership](http://www.nuclearinst.com/membership).
