

# Young Speakers Competition 2018

Thursday 26th April 2018

Doors open from 17:30 for 18:00 start. Refreshments and light buffet provided.

Ridgeway House, Rutherford Appleton Laboratory, Harwell  
Campus, Didcot, OX11 0QX

This competition is open to everyone under the age of 37 at the time of the competition (i.e. those eligible to be members of the NI Young Generation Network) and the topic area is anything associated with nuclear energy.

Each talk will last 10 minutes followed by a short Q&A session. We are pleased to announce the following presentations:

- "Exercise Planning : Playing a pawn against a king"
- "Could You Outrun a Criticality Accident? The importance of criticality warning systems"
- "Improving Fission Fuels: The role of thermal conductivity"
- "Role of the Environmental Regulator in Radiological Emergencies"
- "Another Type of Hole in the Ground - An alternative to a GDF"
- "The Challenge of Harnessing the Power of Turbulence in a Fusion Reactor"
