

The Young Generation Network in association with our event sponsor Ansaldo Nuclear invite you to attend the 2019:

YGN National Speaking Competition Final

Date: **Thursday 19th September 2019**

Venue: **EngineRooms (The Centre), Birchwood Park, WA3 6YN**

Time: **17:15 – Speaking Competition Starts**

The evening is guaranteed to be thought provoking and full of insight on industry hot topics. Come support the finalists, network with likeminded people and learn something new.

The Finalists

Neil Calder (Hydrock Consultants) – representing the YGN Scotland branch: “Where to park my SMR?”

Victoria Dingwall (EDF Energy) – representing the YGN West branch: “How Diversity and Inclusion contributes to a healthy nuclear safety culture”

James Gath (NNL) – representing the YGN North-West branch: “Coated Particle Fuel: The Gobstoppers of the Nuclear World”.

Philippa Hawley (Sellafield Ltd) – representing the YGN Cumbria branch: “There’s no horsing around in the Nuclear Industry, Quality makes it stable”.

Jennifer Liley (EDF Energy) – representing the YGN London & South East branch: “How Cultural Context Influences Nuclear Projects”.

Martin Rayner (Veolia Nuclear Solutions) – representing the YGN Central branch: “Remote handling: One solution to tackle the Generational Legacy”.

NB: The views of the individual speakers do not necessarily reflect the views of the company.
